Carla Nigro is undergoing treatment for colon cancer to be followed by open heart surgery in the near future. Besides the countless prayers that everyone is offering, her friends and family are holding this fundraiser to ensure the family can focus on Carla and not have to worry about the financial aspects that they will encounter.

If you can't make it, but will want to make a contribution to show your support, donations can be made to the Nigro Family Fund at any US bank. Please contact [nigrobenefit@gmail.com](mailto:nigrobenefit@gmail.com) with any questions.
