

Dear Parents,

I forgot to include the following procedure in the Monday Memo yesterday. It was announced to the children at the end of the day. This will tighten up the after-school security of students who have to stay for detention, study hall, or tutoring.

Sincerely,

Peggy Grennan

Principal

Students who stay after for detention, study hall, or tutoring need to wait for their ride inside the school lobby. Their ride can call the office to say that they are outside, and we will send them out or the ride can come in and get them. No children will be allowed to wait outside unattended. Any one who walks home after detention, study hall or tutoring is to leave immediately and get going.
