

**Parent Information
May, 2012**

Dear Parents,

The month of May is a busy one and we cannot believe it is already here!

On cool mornings please send a sweatshirt, jacket, etc. with your child.

On Friday, May 18 we take our Field Trip to Schramm Park. The Ak-Sar-Ben Aquarium is a great place to see frogs, turtles and many fish native to Nebraska. We will also see a film on fishing as well as learning about the fish hatchery that was once there. Climbing fossil mountain is a favorite as we look for crinoids embedded in the cliff.

We will continue Spelling activities, however we will not have a Spelling test on the last week of school. Do I hear cheers?

Over the summer, please have your children practice their Reading vocabulary words, Math facts to 18, counting money, and telling time. It will make such a difference for next year. There are 1st Grade Reading and Math workbooks in the office that can be purchased for summer review. Parents who have used them in the past, found them to be good review tools.

Please check that all library books are returned and all lunch accounts are paid before the last day of school. Students will not receive report cards unless this is done.

Thank you to all who helped us in any way during the school year. Your volunteer spirit is so appreciated and valued. Also, we are grateful for all the help you have given your children at home. It makes our job easier and helps your children feel more confident.

Have a great summer!

Thank you, Mrs. Cuadrado and Mrs. Masters
