the STAR OF THE WEEK

Harrison

Harrison holds the honor of being the final star of 2011! He stands strong as our final star because he is a great leader through his example, his hard work ethic, and his thoughtfulness! He is a kind student and friend.

Harrison enjoys spelling and art class the most at school. His favorite art project was drawing Santa. Santa is probably quite impressed with Harrison's depiction of this jolly fellow.

Being with family is important for Harrison. With mom, Harrison plays board games like Monopoly and Zingo or even playing softball outside. Harrison also plays games with his dad like Zingo or Pictionary. You may see them tossing the football back and forth, too. Harrison spends countless hours with his brother Gus who is 11. If you are looking for Harrison, check outdoors. He is probably playing with his brother or friends in a game of football, in the snow, or on his bike when the weather is warm.

Harrison's favorite colors are red and green...quite fitting this time of year. His favorite book is *Snow* by Cynthia Rylant. This is a beautiful book, and he brought it in so the class could read it. Thank you for sharing it with us!

Harrison looks forward to a bright and adventurous, fun future. He hopes to take piano lessons some day to build on what he knows from playing the guitar. He is excited for his family trip to Colorado in the spring where they may go hiking in the mountains. He dreams of being a police officer. A career quite fitting for this helpful star.
