

Multicultural Presentations

“Students are required to report to their class by explaining the origin of a festival and how it is celebrated. Students have the option to demonstrate the holiday or festival customs and present food. The report must be one page typed with a 12 pt black ink and your computer’s default font.”

“Students may take on different responsibilities for this project; one person may choose to research, two people can type, one person may make a food dish, one person presents, etc.”

Components of Report: 20 pts. each
