<http://www.funbrain.com>

<http://www.catholic.org> - "Catholic Online"

<http://www.americancatholic.org>

(for saint info.)

<http://www.artcyclopedia.com> - One of Top 25 Reference Sites

www.wunderground.com

www.creighton.edu(library access!)

www.go.hrw.com (textbook site - Holt, Rinehart and Winston)

<http://www.mhscience02.com> (*this McGraw-Hill site is from our science text book and students can take review quizzes on it.)

<http://www.clipart.com> Royalty free ClipArt and Animation

FUN FOR KIDS:

<http://www.activitiesforkids.com>

<http://www.funbrain.com>

<http://www.kidzone.ws/>

CHILDREN'S BOOKS:

<http://www.nol.org/home/NLA/golden/sower.htm>

(This Golden Sower web site gives an annotated listing of 10 books recommended for reading at the primary, intermediate and junior high levels. Students throughout the state of Nebraska vote for the favorite title in each category.)

<http://www.omaha.lib.ne.us>

(Patrons can access the city's catalog, review personal accounts, place reserves on materials and use the automated renewal system.)

<http://www.strandbooks.com>

(Customers can order new, used and rare editions of titles at reduced prices from this well-known New York bookstore that advertises a facility with 8 miles of books.

<http://www.btsb.com>

(This source offers prebound editions with processing options available. All entries included recommendations and full text reviews.

School Library Journal

(This periodical contains web site reviews on a monthly basis. The journal is available in the St. Margaret Mary Library.)

DURING, & AFTER READING
