

## What is Young Adult Ministry?

Ministry with young adults is the Church's invitation to young adults to share your talents and your faith with the whole parish community. It is also the Church's way to reach out to young adults to meet your unique needs.

### Goals for our Efforts

In *Sons and Daughters of the Light*, the National Pastoral Plan for Ministry with Young Adults, the U.S. Bishops define a successful outreach to young adults through the accomplishment of 4 interdependent goals.

#### Connecting young adults with Jesus Christ...

by fostering the spiritual growth of young adults, sharing our teachings and traditions about Jesus Christ, inviting young adults to a relationship with Jesus and calling them to live out their vocations as Christian disciples.

#### Connecting young adults with the Church by inviting and welcoming their presence in the Christian community...

by contacting young adults and welcoming them to participate in the mission and leadership of our communities as we strive to preach the Gospel and be leaven in the world.

#### Connecting young adults with the mission of the Church in the world...

by helping young adults form their consciences in accord with the vision of the Gospel and the Church's moral and social teachings, and challenging them to work for justice and to practice Gospel values in their home, workplace, and communities.

#### Connecting young adults with a peer community in which their faith is nurtured and strengthened...

by supporting young adults in developing healthy relationships with those who share similar values and beliefs and encouraging them to exercise their gifts as leaders.
