LIVING MERCY

10 October 2025

Dear St. Margaret Mary Parishioners,

I am sending this message as a note of encouragement to you as you continue along the process of your capital campaign. The steps of the campaign process will continue as planned while you await the arrival of your next pastor. I am grateful to Fr. Ostrander and the project leaders for their commitment to seeing this project through to completion. Please consider supporting the campaign of “Cherishing Our History and Strengthening Your Future.” May God bless you all.

Sincerely yours in Christ,

Archbishop Michael G. McGovern
Archbishop of Omaha
